Books

Gifts, Honors and Commemorations

- Recognize a book-loving friend on a birthday.
- Commemorate an anniversary.
- Honor a favorite teacher.

All donations to the Library are appreciated. A specific donation to the Elizabeth Public Library, to honor, recognize or memorialize someone, is a thoughtful gift that also supports the Library. For each \$25 dollar donation, the Library will plate a book in remembrance or in honor of a loved one.

You can pay tribute in two different ways:

- (1) Plate a print or non-print title with a contribution of \$25. The title will be selected and plated with the name of the person being honored or memorialized along with the name of the donor and the date. The title will be added to the Library's collection. A letter from the Library Director will be sent to the person you wish to be informed of the gift and you will be sent a letter of acknowledgment and thanks, as well.
- (2) Donate a print or non-print title each year for ten years with a contribution of \$250. Each year a title will be selected and plated with the name of the person being honored or memorialized along with the name of the donor and the date. The title will be added to the Library's collection, and an annual letter will be sent to you and your honoree.

Enclosed is \$_____ for a title or \$_____ for ten titles.
